What is in SIRS Discoverer?

ProQuest SIRS Discoverer: K-8 General Content, Web Links, eBooks

The screenshot shows the ProQuest SIRS Discoverer website interface. At the top, there is a navigation bar with the ProQuest SIRS Discoverer logo on the left, a search bar in the center, and links for "Subjects", "Features", "Blog", "Educators' Resources", and "Help" on the right. Below the navigation bar, there is a search bar with the placeholder text "Search..." and a magnifying glass icon. Below the search bar, there is a "keyword | subject" filter and a "Sort by Relevance" dropdown menu. The main content area is divided into several sections:

- Browse Subjects:** A grid of ten circular icons representing different subject areas: Arts, Health, History, Language Arts, Math, People, Science, Social Studies, Sports, and Technology.
- Explore Features:** A grid of three feature cards:
 - Animal Facts:** Gather all the facts, pictures and links needed to complete your animal research project.
 - Current Events:** Stay on top of the latest news and happenings in the world with articles and pictures.
 - Pro/Con Leading Issues:** Dig into debated social issues such as animal rights, bullying, cell phones in school, and more.
- Spotlight On...:** A section featuring a large, colorful sculpture made of many small objects, with a person standing next to it. Below the image is the text "National Inventors Month" and "See the May Spotlight of the Month."
