

SCHOOL HEALTH ADVISORY COUNCIL

2015-16

Meeting minutes for 1st meeting

November 30, 2015

5:30 P.M. at Central Services

Members present were: Michele Daugherty, Anna Hornsby, Stacy Loggins, Skip Hadaway, Bill Harp, Darren Williams, Pam Bradford, Kim Humphrey, Marilyn Gentry (co-chair). The meeting was called to order by Marilyn Gentry. The minutes of the August 17, 2015 School Health Advisory Council meeting were reviewed and approved.

Safety Report was presented by Officer Mann:

- Explanation of school officer duties
- Provided information on school participation regarding lock down drills and special training that several employees attended
- Recommendation by Mr. Harp possible training for all employees next school year during Professional Development week

Health Services Report:

- Required Hearing and Vision Screenings have been completed on all campuses
- Spirit of St. Michael's and Genesis PrimeCare have provided 3 free asthma clinics for students
- Flu shot clinics were held in October for staff and the general public
- Handout reviewed for the new model for school health called "The Whole School, Whole Community, Whole Child Model
- Handout given with meeting topic agendas from TSHAC

Nutrition Services:

- No new legislature this year for the National School Lunch Program

PE Report:

- Students demonstrated several PE class activities at the Academic Showcase
- ES PE classes will be focusing on Cardiovascular fitness
- Goal is for ES PE students to qualify for the Kids Run The Line Too Marathon

Campus Reports:

- New schedule rotation for IS school meets the required PE hours
- The money collected from the IS Student Council fundraiser was decided by the students to be spent on soccer goals for the playground and a new clock for the cafeteria
- A video from the CDC addressing flu prevention and importance of handwashing was sent via email to MS staff to be shown to students

- HS making an effort in the fight against cold and flu season
- Parent noted that hand sanitizer at the HS is probably a challenge due to the fact HS students do not have supply lists like the lower grades do. Effort will be made to provide HS with more hand sanitizer.

With no further discussion, the meeting adjourned at 6:02 P.M.
